

Vashon Community Scholarship Foundation

PO Box 1413, Vashon, Washington 98070

January 2018

Dear Vashon Friends,

For thirty years the Vashon Community Scholarship Foundation has put meaningful gifts in the hands of over 2,400 of Vashon Island School District's graduating seniors. Thanks to our generous donors, these awards provide financial assistance for further education and skill acquisition; and they send a powerful message. Scholarships show we care about our youth and the future of our world. We help ensure future generations leave this community with hope and a great start at building successful lives.

Our scholarship vetting process allows students to put their best foot forward. It also allows numerous teachers, employers and adult mentors to shine a light on the talents, strengths and potential they have seen in each student. All seniors who complete the VCSF notebook and meet the graduation requirements receive a scholarship. Every single one is rewarded for their effort; what an inspiring idea.

VCSF deeply appreciates general fund donations which are pooled with other gifts and our community selection panel chooses the award recipient(s). ALL charitable donations (100%) go directly to the educational institution of the recipient. Donors also have the choice to make contributions which honor an individual, as a memorial to a loved one or represent an organization or business.

We hope and ask that you will support the Class of 2018 and contribute to the scholarship fund. Thank you so much.

And finally, please join us to celebrate this next unique and fine group of Vashon graduates at the awards ceremony at the end of the school year.

Respectfully yours,

The VCSF Board of Trustees

Lisa Breen, Ellen Call, Shirley Ferris, Patti Kirk, Mary Langland, Elizabeth Loveness Linda Mather,
Mary McFarlin, Ginny Nichols, Jan Perry, Cheryl Pruet, Beth Tuttle, Stephanie VanDevanter.
