The Mark T. Vornbrock Scholarship for the Advancement of the Skilled Trades (Memorial)

The family of Mark Vornbrock has established the "Mark T. Vornbrock Advancement of the Skilled Trades Scholarship" in his honor to benefit Vashon Island High School graduates pursuing careers as skilled tradespeople. Mark was a lifelong craftsman with a deep appreciation for the skill required to create quality end products. He worked as a General Contractor, running a successful construction company for decades with his two brothers. One of Mark's frustrations was the lack of regard for the trades. Working alongside some of the best subcontractors and tradespeople in the business, he grew to appreciate the knowledge and skill required to excel in these highly specialized areas.
